Bluetooth Ultra-Slim Keyboard for iPad®

E6300

This Bluetooth Keyboard is tailor-made for today's mobile world of business and communication – the ideal solution for anyone who needs to type and communicate a lot on the go. Simply pair the E6300 with an iPad® or a Bluetooth-equipped MacBook®

and start typing. Thanks to its extremely compact size, this keyboard is easy to tuck away. Additionally, the special iOS® keys such as „undo“, „copy“ and „paste“ make day-to-day life easier and even more comfortable.

► Bluetooth transmission

Wireless and energy-saving: The E6300 wirelessly connects with your tablet, laptop and almost any other Bluetooth-enabled device that supports keyboards, using the very energy-efficient Bluetooth standard.

► Ultra-slim 5.6 mm design

Slimline and rugged: The award-winning ultra-slim 5.6 mm design makes this keyboard a real eye-catcher while the brushed stainless steel housing offers stability and durability.

► Fn multimedia keys

Everything under control: The Fn multimedia keys on the upper edge of the keyboard give you quick and convenient access to all key multimedia functions.

► Special iPad® keys

iOS® made even easier: The E6300 is equipped with special iPad® keys such as copy, paste and undo, for an even more comfortable iOS® experience.
